English Ivy is a great addition to a hanging basket or container. It's a climber and will cling to any surface or trail from a basket. Ivy prefers shade.

Spikes can be planted in sun or shade. Great accent plant in containers. Height 18-24".

© 2014 Parks Brothers Farm

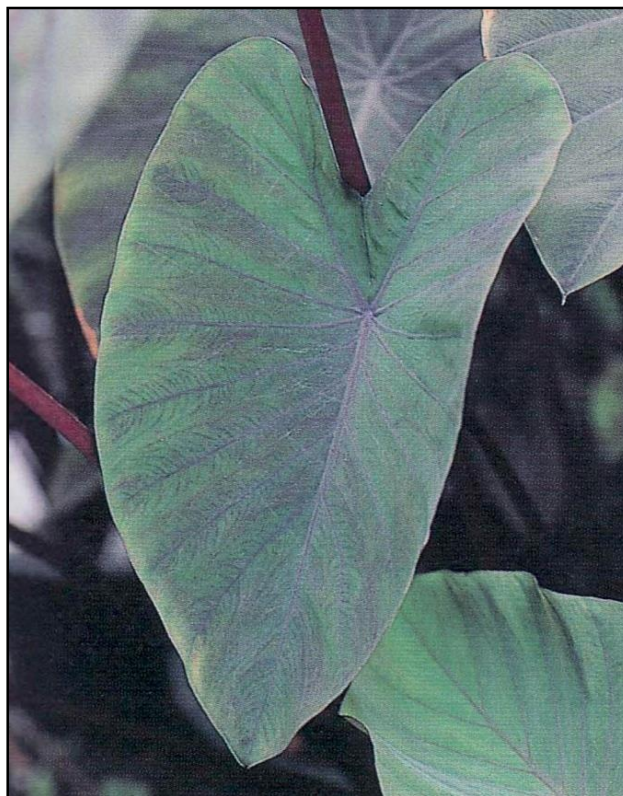

© True Source Seeds

Asparagus ferns do not like direct sun, so plant in partial sun to shade. Height is 12-18" with a noticeable spread. Also great as an accent plant.

1 Gallon Ornamentals

Colocasia **Heart of the Jungle**

Huge-leafed tropical that likes consistent moisture. Should be placed in part sun to sun. Grows to 36" or more.

© Proven Winners, LLC

104

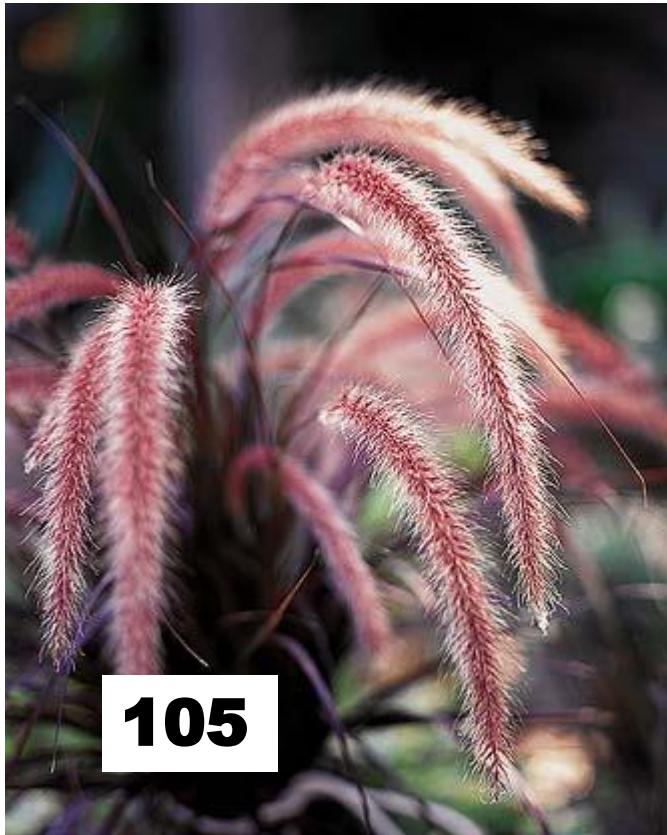

1 Gallon Ornamentals

108

Baby Tut is grown for foliage and should be planted in either sun or part sun. Height & spread 18-24"

6" Specialty Plants

Purple Fountain Grass can reach a height of 36" and should be placed in part sun to full sun.

1 Gallon Ornamentals

Pennisetum Fireworks is a sun loving plant. Most photos show it broader than tall, however it's listed as:
Height 30-24"
Spread 18-24"

It can be happy in a pot by itself, in mixed containers, or planted directly into your garden.

6" Specialty Plants

Mast Young Plants

Senecio Angel Wings®

Sensational, rounded plant with large, broad, toothy, silvery white, velvety leaves. Needs well-draining soil. Pinch back upright stems periodically to encourage lower, bushier growth.

Full or partial sun.

Height: 12"-18"

Spread: 12"-16"

10" Hanging Baskets

Begonia Hiemalis Red
Continuously flowering
Deadheading not necessary.
Clusters of flowers.
Shade, part shade
8-12"H x 8-12"W

10" Hanging Baskets

Tuberous Begonia baskets prefer shade. Cascading begonias are available in red, pink, and yellow. Individual flowers larger than Hiemalis.
